Dear Friend:

I know this letter from me comes as a surprise to you. I was in Atlantic City last week, and would have to you. come to see you then if I had known what I have learned since. When I returned to Newark and started talking to Butts Brown, he told me I should have seen you to start with.

The fact is I want to find out if the city will rent me the baseball park to play some Negro National League ballgames. I would like to come to Atlantic City and play Friday and Saturday nights. I believe it should be a very good night spot.

If you can tell me the proper person to get in touch with about renting the park, I will appreciate it very much. On the other hand, maybe you could arrange the business for me.

Please let me hear from you right away, as the time is here when we should be starting to play.

Again thanks a lot for your help.

Very Truly Yours
